

Spring Home Refresh Planner

Welcome to your personalized Spring Home Refresh Planner! Use this printable tool to organize your Spring DIY projects, track your progress, manage your budget, and gather inspiration. Let your home blossom with fresh ideas, one project at a time.

Journaling & Planning Prompts for Your Spring DIY Journey

What area of my home feels most in need of a refresh and why?

Which spring colors make me feel most energized and happy?

What's my DIY project budget and how can I maximize it?

How do I want my home to feel this season?

Which spaces can benefit from better natural light or airflow?

What DIY project excites me the most and why?

What items can I upcycle or repurpose for spring decor?

How can I involve family or friends in a spring DIY weekend?

What scents do I associate with spring and how can I incorporate them?

How will I celebrate completing my spring home refresh?
